

7R PARK *Kraków VI*

Warehouse

7R Park Kraków VI (Węgrzce Wielkie) is a modern, single-building logistics facility designed for efficient warehousing and distribution serving the Kraków market. The project will offer approx. 13,000 sqm GLA on a plot of approx. 45,000 sqm, providing a compact, operationally efficient layout with smooth yard circulation. It is well suited for 3PL, e-commerce fulfilment, retail replenishment and light industrial activities.
